

THE REPUBLIC OF UGANDA
UGANDA RURAL ELECTRICITY ACCESS
PROJECT PHASE II (UREAP II)

GENERAL PROCUREMENT NOTICE

P-UG-FA0-015

1. The Republic of Uganda has received financing from the African Development Bank (AfDB) and the Climate Investment Funds (CIF) towards the cost of implementation of the Uganda Rural Electricity Access Project Phase II (UREAP II).
2. The main objective the Project is to increase electricity access for households, public institutions, and micro, small, and medium-scale enterprises through a combination of main grid and mini grid solutions.
3. The Project will include the following components:
 - (a) **Component 1:** Main grid expansions, solar PV mini grid development, and installation of mast-mile connections.
 - (b) **Component 2:** Project Administration and Management.
 - (c) **Component 3:** Institutional support and capacity building
 - (d) **Component 4:** Implementation of the environmental and social management plan, and resettlement action plan.
4. Procurement of goods, works and acquisition of consultancy and non- consultancy services will be in accordance with the Bank's Procurement Policy for Bank Group Funded Operations dated October 2015 which is available on the Bank's website: <http://www.afdb.org>. The specific procurement notices for the various consultancy services, works, and goods will be published, as they become available on the Bank's and Ministry of Energy and Mineral Development (MEMD) websites as well as in national and regional newspapers.
5. Interested eligible firms and bidders may obtain further information, and should confirm their interest by contacting MEMD (the Executing Agency) at the address below:
